

WOOLLEY PARK GOLF CLUB

PROSPECTIVE MEMBER INFORMATION

2020/21

Dear Prospective Member,

Thank you for your enquiry regarding Membership at Woolley Park Golf Club.

We hope you will find all the information you need in this pack to decide we are the Golf Club for you. If you have any questions, please don't hesitate to contact a member of the Woolley Park Team at any time for guidance.

Woolley Park is a family owned and run golf club set in traditional parkland, beautifully landscaped and ringed by trees. Woolley has been in the Rowbottom family for four generations and since the original course's inception in 1995, we have been offering our many members and visitors alike a friendly and warm, family welcome.

We offer an outstanding and challenging 18 Hole Course, boasting some of the best greens in Yorkshire, and a Par 3 Course, which offers the perfect setting for a quick round after work and for those honing their game.

THE COURSES

Our 18 Hole Main Course

Set in the spacious and peaceful setting of an old deer park, our main course was designed and conceived by golf course architect Michael Shattock. In its 25 years the course has matured beautifully and subtle changes, incorporated by our dedicated greens staff, have made sure it remains captivating and a pleasure to play throughout the seasons.

The par 71, 6669 yard track offers up a challenge for all levels of golfing ability. Undulating greens, built to USGA specifications, and gently sloping fairways are characteristic of the course. The card consists of three Par 3, two Par 5 and thirteen Par 4 holes. Water comes in to play on five of the holes, sometimes requiring careful navigation.

Our Par 3 Course

Added to the Club's portfolio in 2008, and once again designed by Michael Shattock, our Par 3 Course was built by our experienced greens staff utilising the knowledge gained from our 18 hole course. Our Par 3 Course is maintained to the same high standards as our original 18 holes and can be played in two ways from either the yellow or blue tees. The yellow tees are designed to be the easier Academy Course as it contains 3 Par 4 holes and is a perfect starting point for those still learning to play. The blue tees make up the true Par 3 course and provides a good test of accuracy for all golfers. Of course you can choose to mix and match which tees you play from creating the best test for yourself.

Dress Code

The dress code for our 18 Hole Course is smart. No trainers, tracksuits, jeans, rugby or football shirts are permitted. Instead recognised golf apparel or polo shirts (with collar) and smart trousers or shorts are requested. Golf shoes must be worn at all times on the 18 Hole Course. Clarification on any attire can be given in the Pro Shop.

There is no formal dress code for our Par 3 Course; however we ask that your attire is considerate to your fellow course users.

Coming to Play at Woolley Park

All players are expected to report to the Pro Shop before teeing off.

Tee Times: We advise all our members and visitors to pre-book a tee time to play on our 18 Hole Course to avoid disappointment. Tee times are available daily from around 7.00am and members are entitled to book any tee time any time in advance. Block bookings are not permitted; members wishing to play in adjacent tee slots must book individually and ensure spaces are filled. You do not need to pre-arrange a tee time to play the Par 3 Course, simply report to the Pro Shop when you arrive, so that we can book you onto the course.
