

WOOLLEY PARK GOLF CLUB

INTERMEDIATE MEMBERSHIP

Woolley Park Golf Club's Intermediate Membership is available to New Members and was introduced as part of our 20th Anniversary Celebrations in June 2015.

Intermediate Membership is available to those players aged 18-40 at their time of joining*. Membership begins with prepayment of an initial £350 green fee credit in addition to an administration fee and the current year's Union Fee* (£350 loaded onto a green fee prepayment card). Intermediate Members are then entitled to unlimited play Monday to Sunday, subject to booking a tee time and reporting to the Pro Shop and paying the current Intermediate Members' green fee*. Intermediate green fees can only be paid using the card, the card balance reducing by the relevant fee with each round.

Once an Intermediate Member's initial £350 green fee credit has been used, they are able to reload their prepayment card at their convenience in order to pay for further green fees.

The annual Union Fee and a small administration fee will be due on the 1st February each year*.

Upgrades, prior to reaching this spend, are also available throughout the year with a discount on the joining fee relative to intermediate green fees purchased and pro rata subscription fee. Remaining credit on an Intermediate Member's prepayment card will be transferred to a Members Card (*Please see Prospective Member Pack for more information about other membership categories*).
